Goods in Transit Insurance

Coverage Highlights

- Protection against loss or damage while goods are loaded, carried, or unloaded by road, rail, or other conveyances.
- Includes expenses for debris removal, transferring goods post-accident, and securing damaged property.
- Covers damage to protective equipment like tarpaulins and ropes up to 10% of the consignment value.
- Extensions include coverage for hold-up, hijacking, riot, and strike risks.
- Legal liability coverage during loading and unloading operations.

Key Features:

- Coverage begins when goods leave the warehouse and continues during transit and temporary storage (up to 3 days).
- Protective warranties, including proper use of tarpaulin covers and watchman attendance.
- Exclusions clearly defined for wear and tear, theft without security, hazardous goods, political risks, and non-compliance with regulations.

Marine Open Cover Insurance

Scope of Cover

- Continuous coverage for shipments made by sea, air, road, or rail from the point of shipment to final destination.
- Protects against physical loss or damage by all risks except those specifically excluded.
- Includes coverage for general average, salvage charges, and additional expenses like expediting and debris removal.
- Insurance covers risks during warehousing, transshipment, and even extended storage periods.
- Customizable endorsements including Buyers/Sellers Interest and Difference in Conditions coverages.
