ELECTRONICS EQUIPMENT INSURANCE

Protecting your business technology, every step of the way.

Why You Need It

- **Technology powers your business.**
From computers and servers to specialized electronics, your equipment is critical for daily operations. But accidents, theft, power surges, or even fire can bring everything to a standstill.
- **Peace of mind**
With AAR's Electronics Equipment Insurance, you don't have to worry. We've got you covered.

Insurance

What We Cover

- **Accidental Damage or Loss** – Protection against unexpected accidents and mishaps.
- **Fire & Lightning** – Cover against destruction caused by fire or power surges.
- **Theft & Burglary** – Coverage for stolen electronic equipment.
- **Data Media Protection** – Safeguards data storage devices (discs, tapes, drives).
- **Increased Cost of Working** – Covers expenses for renting/substituting equipment during breakdowns.

Extensions Available:

- Coverage against infectious disease-related interruptions
- Power surge & over-voltage protection
- Fire protection maintenance coverage
- Automatic inclusion of new equipment

Why Choose AAR?

- **Comprehensive Protection** – Cover for a wide range of risks specific to electronics
- **Business Continuity** – Compensation for equipment rental or replacement to keep your operations running.
- **Trusted Brand** – Over 40 years of serving Ugandan businesses with innovative insurance solutions
- **Expert Support** – Fast claims processing and professional guidance.
